2 rue Merigot
94480 Ablon S/Seine
41 years, married, one child

International Experience
5 years in Sweden

EDUCATION AND TRAINING

- *Fev.-Mar. 2011* : **CRA training** MediAxe Formation, Paris, France
- *1997-2001* : **PhD in Health and Life Science**, University of Lille II, France

PROFESSIONAL EXPERIENCES

- April 2011-Jan 2012: **CRA at CERC** (European Center for Cardiology Research); Massy, France
- *2007-2009* : **Research Engineer at Inserm U845** Medical University of Necker, Paris, France
Prolactin Biomarkers identification; IPSEN, SpiBio
- *2005-2006* : **Post doc Researcher at the Developmental Biology Department**, Wenner Gren Institute, Stockholm, Sweden. Identification of a chaperone protein for olfactory receptors
- *2003-2005* : **Post doc Researcher at the Department of Medical Nutrition**, Karolinska Institute Stockholm, Sweden. Demonstration of auto immune background in genetically modified mice lacking cholesterol metabolism regulation.
- *2001-2003* : **Post doc Researcher at the Center for Biotechnology (CBT)** Karolinska Institute, Stockholm, Sweden. Production and characterization of antibodies against receptors regulating cholesterol metabolism. 4 publications.

COMPETENCES

- Project & Management** : - Project management.
- EC/CA Submission in France and Nordic countries (Denmark, Sweden)
- Site initiation visit (UK) and monitoring (France, UK)
- Reporting
- CEC and e-CEC
- e-CRF
- Contact with Client, partners and suppliers
- Assistant and Students supervision
- Technology transfer
- Techniques** : - Molecular biology
- Immunology
- Teaching/training
- Antibody production
- Recombinant proteins production
- Computer** : - Microsoft Office.
- Endnote (bibliography).
- Prism (statistics).
- File Maker Pro, beginner (database).
- Language** : - English fluent, Swedish conversation, German (never practiced).

HOBBIES

- Sailing on 470 dinghy
- Photography
- DIY
